**FROM:** Trish Mayeras Brucki, President, Vari SAFE Education

**RE:** Upcoming Youth Safety Courses for your students

Hello,

Please accept this invitation from Vari SAFE Education to include your students in our exciting Winter/Spring 2020 programming!

We wish to thank the Kawartha Pine Ridge District School Board for their consent to distribute these flyers within your school. Consent was obtained through **Judy Malfara, School Liaison and Communications Lead.**

**If you are familiar with our programs**, and wish to continue to support us with distribution to your students, thank you! Your partnership is most appreciated, and your efforts are vital in supporting our Not For Profit objectives while strengthening our communities, supporting families and developing our children.

Please skip to Step 2 for our improved distribution information if you are ready.

**If you are unfamiliar with Vari SAFE**, and would like additional information to assist with your decision (or assist with distribution), please take a moment to review the appended. We are confident that you will find this opportunity to be of high value, easy to support and complimentary to your established curriculum.

Step  
1

## Discover our Programs and Company

We are a Registered Not for Profit organization, specializing in Youth Safety training. We offer two unique courses to suit each family's needs or preference;

Our **Home Alone & Stranger Safety** program is a highly interactive course for students 8-11 years of age and teaches the fundamentals in Personal Safety, Home Alone and First Aid skills with emphasis on keeping self safe. Upon completion of this course, students will be able to; identify the different types of strangers and respond safely, communicate with their families effectively, stay safe in the home and kitchen, react to illness or emergencies, use a fire extinguisher and safely handle everyday situations.

The **Babysitters Training Course** is a fun and interactive course for students 10-13 years of age who seek the information and techniques required to take care of others. Students will learn about getting their first job safely, the care and requirements for infants through to school age, level 2 first aid (for others), kitchen safety, fire safety, managing difficult situations and emergency response.

This value added education is a fresh and innovative approach to safety. Our curriculum is both unique and effective, structured with content and delivery specifically for those aged 8-13. We provide a safe learning environment, with support and interaction to ensure a great experience for each participant. Our excellent

staff are both teachers, and role models. All instructors possess a current and clean CRC (Criminal Records Check) and VSS (Vulnerable Sector Screening) in addition to CPR and First Aid certification.

Our courses will be held at a local community centre or similar location. Registration for the courses will be taken care of through our offices by phone, email or online through our enhanced registration system. Participants will receive a confirmation upon registration that will include course details, course location, directions and what to bring etc.

Step  
2

## Distribute Invitations to Students

In order to lessen our impact on the environment, we have provided you with one copy of each program flyer which you may post on a community board or similar. If you require additional copies or a PDF version, please contact us as we are happy to provide these. We wish to thank each school's administration in advance for your assistance.

Step  
3

## Contact Us For Additional Assistance

### **Please do not hesitate to contact us for any of the following**

- Students who may require financial assistance (everybody has the opportunity to join!)
- Additional information for parents
- General questions or feedback
- Should you require additional invitations

### **How to contact us**

- You may contact us by phone at (866) 974-7488
- Alternatively, I may be reached directly via email at [trish@varisafe.ca](mailto:trish@varisafe.ca)
- Or visit us online at [www.varisafe.ca](http://www.varisafe.ca) for the list of course locations and Frequently Asked Questions

On behalf of the team here at Vari SAFE, I sincerely thank you for taking the time to review this information.

Thank you, and best regards

*Trish Mayeras Brucki*
