Dear families,

With great pleasure and enthusiasm, I write this letter to you as the new Principal of Stockdale PS. I am truly honoured to take on this new role within the community as I know it is a very special place.

Joining the Stockdale PS team is special for me, as my mother, brother, and I are all Stockdale PS graduates. I think fondly of my time at Stockdale PS, and I will strive to ensure your family has a positive experience as well.

Professionally, this is my 15th year in education. I started teaching in downtown Toronto, but after our first child was born, my husband and I moved back to the area to be close to family. I spent many years teaching in the Campbellford area, and I have been a Vice-Principal at Murray Centennial and Brighton Public School.

I firmly believe that open communication between home and school is the key to a successful education. Therefore, my door is always open to families. In the coming weeks, I look forward to getting to know you and working together to ensure the learning and wellbeing of all students at Stockdale PS always comes first.

Best regards,

Amanda Barratt
