PRINCIPAL MESSAGE

I would to take a moment to acknowledge the efforts of our staff and students at Stockdale PS. In my short time here it is evident that everyone gives their best each day in order to ensure all students are engaged in their learning and supported with their mental health and wellbeing.

I would also like to commend families for their support and diligence in following the established COVID protocols. Your continued effort ensures arrival and dismissal times are organized and safe for everyone.

On February 19th you will be receiving a copy of your child's Term 1 report card. Please take time to review this report and discuss with your child areas of success and improvement. There will be more information to follow regarding requests for virtual parent-teacher interviews.

If you have any successes or concerns you wish to share, feel free to call the school or email.

Best regards, Amanda Barratt

SCHOOL COUNCIL

Parent council would like to welcome everyone back to school after the extended winter break! It is nice to be back. To help make the yard time even more fun, we are raising money for the new slide that is going to be built into the hill! Keep an eye out for upcoming fundraisers. As usual, we are running Mabel's

Labels as a way to help families stay organized while raising money for our school. Go to www.campaigns.mabelslabels.com select our school and order the labels you and your family need. Don't forget to join the Parents of Stockdale Public School Facebook page. It is an excellent way to keep in touch virtually with other families in our school, as well as ask questions and share information that can impact our lives at Stockdale. Mabel's Labels. Go to www.campaigns.mabelslabels.com select our school and check out their new Emergency Contact Labels.
