March 2021

PRINCIPAL MESSAGE

Our 'March of Fun' has begun! Last week, students enjoyed wearing their PJ's and cuddling with their favorite stuffed animals. Throughout the month, students will be participating in different spirit days and special activities, such as, a collaborative art project, games and a movie and popcorn day. Please ensure to check EDSBY for pictures and updates.

Congratulations to School Council for being the successful recipient of the Willow Beach Field Naturalist Grant. This grant will be used to purchase additional Willow Branches for our outdoor Willow structure.

As a reminder, our secondary parking lot is for student pick up and for buses. When picking your child up from school, please continue to ensure you are parking your vehicle towards the west side of the parking lot. This will avoid congestion around the buses.

As always, if you have any successes or concerns you would like to share, feel free to contact the school.
Warm regards, *Amanda Barratt*
