Dear Stockdale Families,

Following the recent KPR news announcement regarding end-of-the-year procedures, I am writing to invite families to come to Stockdale P.S. on Monday, June 28th to retrieve personal items and return technology. Each family is requested to pick up personal items and return borrowed technology during their designated time. Classes have arranged designated times so students can have a brief outdoor opportunity to say goodbye to staff and any other classmates present at that time. However, we are not able to gather before or after the designated times. Families who have children in various grades also have the option to pick up all their children's belongings at the same time.

Schedule:

9:30 - 10:00	Ms. Morello & Ms. Postar's class (JK/SK)
10:10 - 10:40	Ms. Lay & Ms. Payne's class (JK/SK)
10:50 - 11:20	Ms. Slone (Grade 1/2)
11:30 - 12:00	Ms. Jefferies (Grade 1/2)
12:10 - 12:40	Ms. Steele (Grade 2/3)
1:00 - 1:30	Ms. Evans (Grade 3/4)
1:40 - 2:10	Ms. Enwood (Grade 4/5)
2:20 - 2:50	Ms. Overland (Grade 6/7)
3:00 - 3:30	Ms. Watts (Grade 7's only)
4:30 - 5:00	Ms. Watts (Grade 8's only)

For the above schedule to run as smoothly and safely as possible, please review the following points.

- All students and parents are required to self-screen before coming to the school
- Please limit the number of people per household who come to pick up
- or drop off materials to a maximum of two adults per family.

- Everyone must wear a mask and maintain physical distancing of at least 2 metres.
- Attendance will be recorded for potential contact tracing purposes.
- If you borrowed a Chromebook or MIFI, please ensure all the pieces are returned, including the charger.
- Please do not arrive more than 5 minutes before your designated time and leave before your specified time is over. Arriving and leaving on time will help minimize any additional congestion in the parking lots and reduce people in one location.
- When you arrive, please park in the secondary parking lot (our regular drop-off/pick-up location) and walk to the gate. There will be a hand sanitizer station and a staff member to help direct you.
- Each class will have a clearly marked table set up outside in the main parking lot for families to pick up their personal belongings and return any borrowed technology.
- There will be no access to school buildings.

If your family cannot attend the end-of-the-year farewell, the school will be open on Tuesday, June 29th, between 9 am-3 pm for you to pick up your belongings or return technology. Please ring the buzzer and a member of the office staff will meet you at the door. If you have any questions or concerns regarding these two options, please feel free to reach me at the school at 613-398-7200 or email me at amanda_barratt@kprdsb.ca.

Thank you all for your patience and understanding. We look forward to seeing everyone on June 28th!

Best regards,

Amanda Barratt
Principal
