Dear Stockdale Families,

With the first week of school completed, we would like to share some updates with you. At KPR, class sizes are reviewed in September, and reorganizations are made if class sizes are too large. Historically, this has not impacted Stockdale P.S. However; we have approximately 240 students at Stockdale this year, which is a significant increase from last year. Therefore, to alleviate congestion, improve student learning, and comply with Ministry Guidelines, we will be reorganizing our classrooms. The changes will impact grades 1-8, with several students moving to another class from each classroom. You will be notified by Wednesday, September 15th, via email if your child is being moved to a neighbouring classroom. Our new classes will begin on Monday, September 20th.

We understand that these changes can be challenging, and we try our best to avoid them. However, after the initial adjustment, students become accustomed to their new classmates and teachers. Ultimately, we want what is best for all students at Stockdale and have made every decision with this in mind.

Thank you once again for your patience and understanding.

Best regards,

Amanda Barratt
